Additional Standard Safety and Tecnico Pack*

*OPTIONAL

LANE KEEPING ASSIST SYSTEM

Lane Keeping Assist helps you to stay on the right course. If your Giulia starts to stray out of the lane, the system will intervene to keep you within the lines.

ACTIVE BLIND SPOT ASSIST

Active Blind Spot Assist helps prevent collisions by providing corrective steering and a visible alert on the wingmirror, detecting vehicles in adjacent lanes.

TRAFFIC JAM ASSIST AND HIGHWAY ASSIST*

Traffic Jam Assist is a seamless integration of Active Cruise Control and lane-keeping technologies.

When activated, this advanced feature autonomously manages your vehicle's speed and maintains a safe distance from vehicles ahead, whilst also keeping your Giulia within its lane on both motorways and city street, resulting in a smoother and more relaxed driving experience.

TRAFFIC SIGN RECOGNITION

Traffic Sign Recognition detects and displays common road signs in real-time, providing you with crucial information such as speed limits, no passing zones and other important signs. With this feature, you can effortlessly stay updated and ensure compliance with road regulations for a safer and more informed driving experience

DRIVER ATTENTION ASSIST

Driver Attention Assist monitors the vehicle's movement and travel time. It warns the driver with a cup alert on the TFT display when a break is warranted.

INTELLIGENT SPEED CONTROL*

Intelligent Speed Control combines Active Cruise Control and Traffic Sign Recognition to suggest automatic speed adjustments based on speed limits detected from the road signs.

*Full 5 Year manufacturer's warranty now available on all new in country stock with registration from 1st January 2024. Mileage restriction applies. Normal warranty terms & conditions apply.

Fuel consumption and CO2 figures are determined on the basis of the WLTP test procedure as per Regulation (EU) 2017/1347. Only compare fuel consumption and CO2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Additional equipment and or options may affect fuel consumption and the CO2 emissions produced. For further information, please visit Alfa Romeo.ie or contact your preferred Alfa Romeo Dealer.

The colours and photographs illustrated can be affected by many factors including technical settings and the printing process and are therefore for guidance only and may differ from a real life environment.

IMPORTANT NOTICE: Alfa Romeo Ireland endeavours to keep all pricing and specification up to date however final orders and products offered for sale may differ from those described or indicated in this document due to subsequent changes in specifications and / or component & supply constraints. The contents and descriptions are therefore to be treated as representations as to the current availability of products as described, or as to products actually offered for sale. Alfa Romeo Ireland, a trading name of Gowan Motor Distribution Ltd. reserve the right to make changes at any time, without notice, to prices, colours, materials, equipment, specification and versions and also to discontinue models. All details correct at time of going to print. Please consult your preferred Alfa Romeo Dealer for the most up to date information. This price / specification list is not a contractual document or offer of sale.

Price excludes dealer delivery and related charges.
